About Valleyfest

Valleyfest is an annual tradition bringing the greater Spokane Valley region together since 1990. The community-wide celebration is held each September at Mirabeau Point Park and CenterPlace Regional Event Center in the Spokane Valley. Valleyfest provides live entertainment for the entire family, an opportunity to meet and have fun with friends, and recognize area youth for their talents.

Mission

The Valleyfest mission is to produce community driven, safe, family oriented, visually dramatic festivals. Valleyfest exposes the talent that enriches the Spokane Valley region and celebrates the visual and performing arts, education, science, and recreation so the entire community can experience them.
