Valleyfest 2022 Presents a [Multicultural Festival](#) to the City of Spokane Valley

Valleyfest newest event is the Multicultural Festival Sunday, September 25th, from 11:00 am - 6:00 pm at Center Place Regional Center, West Lawn, 2426 Discovery Place, Spokane Valley. There will be unique entertainment with all types of acts and ages on our stage. Many different booths will be displayed as well, to spread the knowledge of local cultures and bring more awareness to the community.

Valleyfest had planned a Multicultural Festival for 2020 and 2021 to feature different cultures from around the world right here in Spokane Valley. Unfortunately, Valleyfest 2020 and 2021 were both cancelled due to COVID-19. The good news is that Valleyfest 2022 is back in action and will have its debut Multicultural festival on Sunday, September 25.

Our entertainment ranges from cultures all over the world - Chinese, Filipino, Vietnamese and Bollywood. While our booths will demonstrate all the cultures listed above as well as Hispanic, Latin and many more organizations who put efforts into educating the community on our local heritage and diversity.

We hope to see you at this year's Valleyfest Multicultural Festival on September 25. Feast World Kitchen will be there along with other food trucks and vendors.

Valleyfest is always looking for volunteers, sponsors and partnerships to put on the best festival possible. For more information, visit our website at <https://valleyfest.org/>.
